
Lesson 6: "Where do I fit in?"

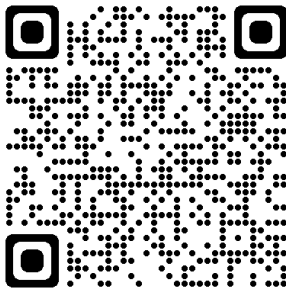

Being involved in the work of God is absolutely one of the most rewarding experiences a person can have. To utilize your talents and gifting that God gave you and then offer them back to Him brings so much fulfillment.

At Truth Church, we strive to find a place for everyone to serve within their God-given talents. Our desire is for you to feel an integral part of your church family by serving the Kingdom in a myriad of ways.

- We have various ministry roles for everyone to contribute. Pastor Fuller's vision is for everyone to feel needed and part of kingdom ministry.
- During this class you will take a spiritual gifts survey and also complete a ministry connection card to let us know what ministries may most interest you. We trust these endeavors best serve you in placing your God giftings to the maximum use.
- Different ministry types may require some training and/or qualifications in order to fulfill a specified ministry. If you select one of those ministries, we will gladly guide you through that process.
